GGAC Staff News

Our former Muir DE Arnel Jaime has resigned from his position as a District Director with the Golden Gate Area Council and is now with Shelter, Inc., a Concord based non-profit agency whose mission is to serve the homeless population in our local communities. As the Program Manager for the Support Services for Veteran Families (SSVF) program, Arnel will be leading a team in providing veterans in Contra Costa County who are homeless or are in imminently in danger of becoming homeless much needed service.

Taking over Arnel's professional duties are Maria (Madi) Obledo-Ewing, who will be serving as the District Director for Alameda and Peralta Districts, and Alyssa Padia, who is the new Exploring professional Staff Advisor.

Since he is no longer a Council professional, Arnel has committed to continue his volunteer work with the Muir District as the Order of the Arrow Adviser, Assistant District Commissioner, and Merit Badge Counselor as well as with GGAC as a LEAD Instructor for Venturing and part of the Exploring Committee team along with its Chair, former Muir District Commissioner Stuart Mahler.

**GOLDEN GATE AREA COUNCIL
BOY SCOUTS OF AMERICA**

eNews Special Edition **Membership Renewal Fee Structure for 2022**

July 20, 2022

Golden Gate Area Council (GGAC) Community:

The national fee structure for the Boy Scouts of America (BSA) is being updated as of **August 1, 2022**. Overall, there are modest increases to unit charter/affiliation fees (\$25 increase) and minor increases in the cost of registration for youth members (\$3) and for a *Scout Life* magazine subscription (\$3).

The value of Scouting is undeniable for those within the program and the greater public, and the BSA is committed to continuing to offer this unmatched opportunity to young people and families nationwide.

As costs on many daily goods and services continue to rise dramatically, the BSA has worked to keep its membership fee as low as possible. However, these external pressures continue to have an effect, and the annual national membership fee must be increased to address the fiscal realities necessary to continue delivering a safe and quality Scouting program.

To ensure the organization has the resources to fulfill the promise of Scouting, the following national membership fee structure will take effect **August 1, 2022**.

- **\$75** for Cub Scouts, Scouts BSA, Venturing and Sea Scouts participants (\$3 increase)
- **\$45** for Exploring participants (no change in cost)
- **\$30** for council-paid memberships (no change in cost)
- **\$45** for all adult volunteers (no change in cost, includes cost of **National**

Council background check - the separate LiveScan check to meet AB506 requirements is **not included** in this fee.)

- **\$100** for a unit charter/affiliation fee (\$25 increase)
- **\$25** one-time joining fee for new program participants in Cub Scouts, Scouts BSA, Venturing and Sea Scouts (Not pro-rated, no change in cost)
- **\$15** for Scout Life magazine; this is the first price increase since 2005 (\$3 increase)

The national membership fee helps cover the cost of essential services, including program resources, liability insurance for those participating in approved Scouting activities, criminal background checks, youth protection, and the development of intellectual property for national, council, and unit programs. As BSA moves forward, the organization will continue to look at the membership fee structure and how we deliver the Scouting program for future generations.

In addition to the national fees, GGAC charges a council program fee at the time of registration. The CPF is designed to support the basic services that a unit receives from GGAC. The vast majority of the fee (85%) is intended to support program and activities. It is an anchor that allows GGAC to build on those services with additional income from fundraising streams, activity fees, popcorn sales, and endowment revenue. Exploring members are not currently required to pay the CPF. The GGAC Executive Board is evaluating the current CPF and will take action at the August board meeting if any changes are necessary, but the fees remain the same for now (\$66 youth, \$42 adult).

Across the country and in each of our communities, we know that Scouting remains one of the most valuable investments we can make in youth today so they can become the leaders we will turn to tomorrow.

Our dedicated volunteers, staff, and Scouting families make this possible. Thank you for continuing to support one of the most valuable opportunities available to young people today.
