UPDATE: Mandated Reporter Training from the State of California has a 2 year expiration date.

The State of California passed AB506, which took effect on January 1, 2022. In 2023, the State updated the policy such that the Mandated Reporter training must be retaken every two years. In addition, the state has a *new higher quality version of the training*. This new training can be accessed from the California Scouting website: <https://californiascouting.org/training>.

The GGAC Executive Board has decided to treat this Mandated Reporter training like YPT requiring all adults to have a valid Mandated Reporter certificate for the entire registration period (through December 31, 2024). Therefore, most adults must retake Mandated Reporter training before they are eligible to recharter with their unit. **Note:** the Live Scan background check is currently NOT required every two years (supposedly just once and done).

Mandated Reporter Training is required in addition to our BSA Youth Protection Training. Volunteer leaders must complete the 2 hour training (or take it again before the expiration date) and upload their certificate here: <https://californiascouting.org/ggac/>.

Training details can be found at: <https://californiascouting.org>

AB 506: Live Scan background check (complete ASAP if you have not already)

A Live Scan background check (the digital version of inked fingerprinting) is required for all volunteers and staff. Live Scan replaces previous background checks; all volunteers will have to complete this once (if you haven't done so already).

We appreciate your patience and assistance as we join all California Youth Service

Organizations in improving youth protection.

Congratulations to our Newest Muir Eagle Scouts!

- Andrew Douglas Shargel, T484, 01/08/2024
 - Project Title: Seven Hills Planter Boxes
 - Project Description: Since the Seven Hills School is a community that values sustainability and environmental responsibility, the scout wanted to help the students to grow a small class garden. He replaced three broken elevated garden beds in the garden area behind the 4th grade classroom with new planter boxes. The new area will also allow students who need a break to decompress and refocus if needed.
- Patrick Thomas Earle O'Connor, T484, 01/15/2024
 - Project Title: Saint John Vianney Prayer Bench
 - Project Description: Scout wanted to replace an old bench and cross with a natural wood bench surrounded by flowers for the Faith Formation to have a place to pray and be with God. He felt that since all the lessons are held inside, the youths' connection to God through nature is weak. Lessons with the youth will be able to be held outside making it possible for the youth to see God in a way they haven't seen or heard him before. Scout called around to local tree removal companies and was able to get the redwood slab and log bases donated.
