August 2024 District Roundtable

The August 2024 Roundtable is scheduled for *Thursday, August 1, 2024 at 7:30 PM* in-person at the Concord Veterans of Foreign Wars (VFW) Hall, 2290 Willow Pass Rd, Concord, CA 94520.

If you have any questions for Roundtable, please contact Arnel Jaime - District Commissioner, arnel.scouting@gmail.com and Mark Hall - Roundtable Commissioner, scouts@halls.net.

District Commissioner's Note

I want to take a moment and mention the loss of one of our own, Mr. Corey Moldes. Corey began his career as a Scout with Pack 380 and continued with Troop 380. As an adult, he occupied several leadership positions with Pack 380, then Troop 370. I want to express my condolences to the Moldes family, and to the members of Pack 380 and Troop 370.

You may not be aware, but our national organization operates several camps. Patrick and I recently spent a week at one of them, Philmont Scout Ranch. Take a moment and check out all the fun activities you and your unit can do there:

Scouters Representing the Muir District: Attending Training at Philmont Training Center

On July 14-20, 2024, two Scouters from Muir District, Golden Gate Area Council attended National leadership conferences at Philmont Training Center. **Muir District Commissioner Arnel Jaime** participated in the "Council/District Key 3" conference and **National Venturing Committee Member Patrick Jaime** participated in the "Chart. Lead. Explore. Planning for the Future of Older Youth Programs" conference. During that week, Patrick was also formally recognized and presented with the National Venturing Leadership Award at the National Venturing Reception; the first in-person one since 2019. Check out our District Facebook Group for a better view of each photo below:

Philmont Scout Ranch, the Boy Scouts of America's premier High Adventure™ base, challenges Scouts and Venturers with more than 214 square miles of rugged northern New Mexico wilderness. Backpacking treks, horseback cavalcades, and training and service programs offer young people many ways to experience this legendary country. Serving as the National Training Center for the Boy Scouts of America since 1950, the Philmont Training Center offers a variety of week-long conferences for volunteers and professionals each summer. While a Scout leader is in conference, programs are planned for all members of the family – infant through adult. For the first time in 2018, a family-based adventure experience was hosted by the Philmont Training Center, Philmont Family Adventure.

I will limit these posts to once a week with exceptions for special events (Blue & Gold, Scout Sunday, Summer Camp, etc.).

Scouting's Barriers to Abuse Update

Effective 9/1/2023

Youth Protection Barriers to Abuse Update – September 2023 (Clarification for Overnights)

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. For example, a Troop 123 leader **CANNOT** camp with Troop 321 *unless they are also a registered adult in Troop 321*.

Registration as a merit badge counselor position does not meet this requirement.

Please see the below excerpts from Aaron on Scouting:

"Q: Our Scouts BSA boy troop and our Scouts BSA girl troop are linked. Which troop do I need to be registered with to go on a joint campout?"

A: First, each troop is a separate unit and therefore each troop/unit must provide its own two-deep leadership, meeting the leadership requirements outlined in Scouting's Barriers to Abuse. Second, as with all adult volunteers, you must be registered for the position(s) in which you are serving. If you will be attending with the girl troop, you must be registered as an adult volunteer in the girl troop. If you will be attending with the boy troop, you must be registered as an adult volunteer in

the boy troop. You can register for both troops (at no extra charge) and can select one troop for your primary registration and add the other troop as a multiple registration."

"Q: What about when Arrow of Light dens camp with Scouts BSA troops? Do the Arrow of Light parents have to register?"

A: The Arrow of Light den must camp according to the specific camping guidance for Cub Scouts. That means that Cub Scout parents or legal guardians are not required to register as leaders if they are attending with their own child or legal ward. However, they must be accompanied by a registered leader any time they are with youth members of any age other than their own child or ward. As always, one-on-one contact between any adult and youth members other than their own child or ward is prohibited. Reminder, if the troop and pack to which the AOL den belongs do not share the same charter partner, the troop and AOL den must receive permission from the council to hold the joint activity (see the [camping section in the Guide to Safe Scouting](#) for more camping details)."

Please share to all your Packs, Troops, units, and fellow volunteers.

REMINDER: Mandated Reporter Training from the State of California has a 2 year expiration date.

The State of California passed AB506, which took effect on January 1, 2022. In 2023, the State updated the policy such that the Mandated Reporter training must be retaken every two years. In addition, the state has a *new higher quality version of the training*. This new training can be accessed from the California Scouting website: <https://mandatedreportertraining.com/volunteers/>.

The GGAC Executive Board has decided to treat this Mandated Reporter training like YPT requiring all adults to have a valid Mandated Reporter certificate for the entire registration period (through December 31, 2024). Therefore, most adults must retake Mandated Reporter training before they are eligible to recharter with their unit. **Note:** the Live Scan background check is currently NOT required every two years (supposedly just once and done).

Mandated Reporter Training is required in addition to the Scouting America Youth Protection Training. Volunteer leaders must complete the 2 hour training (or take it again before the expiration date) and upload their certificate here: <https://californiascouting.org/ggac/>.

Training details can be found at: <https://californiascouting.org>

AB 506: Live Scan background check (complete ASAP if you have not already)

A Live Scan background check (the digital version of inked fingerprinting) is required for all volunteers and staff. Live Scan replaces previous background checks; all volunteers will have to complete this once (if you haven't done so already).

We appreciate your patience and assistance as we join all California Youth Service Organizations in improving youth protection.

Congratulations to our Newest Muir Eagle Scout!

- Madeline Margaret Ruhl; T444G, 07/23/2024
 - Project Title: Scouting for a Forever Home
 - Project Summary: The scout organized a photo shoot of rescue dogs for

the beneficiary to use in a social media campaign. Scout raised the money for the project by selling honey from her home beehives. Required coordination between high school photography students, beneficiary, fosters and their 15 dogs, and scouts (Troop 484, Pack 262), and volunteers (National Honor Society from Clayton Valley Charter High School). Beneficiary appreciated the time for dogs to learn socialization and the quickness and ease of the project. Fosters enjoyed the time connecting with peers. Everyone enjoyed the puppies.
