Scouting America

Youth Protection Buddy System Update – Effective September 1, 2024

Please share to all your Packs, Troops, units, and fellow volunteers.

Youth Protection 2024 Update

Accommodation

The older youth Scouting America programs (Scouts BSA, Venturing, Sea Scouting, and Exploring) encourage leadership development, growth, and independence by recommending that youth share accommodations with other youth (must be the same gender per Barriers to Abuse). However, we also recognize that exceptional circumstances may warrant a parent or legal guardian sharing accommodation with their same-gender child if the parent/legal guardian meets all leader registration requirements.

Youth siblings of the same gender may share sleeping accommodations regardless of age with permission from their parents or legal guardians. Campsites **must** be arranged to separate genders adequately. This separation could be achieved through natural barriers, physical distance, or by the campsite being divided, so long as the separation achieves privacy for both adults and youth, **as well as by gender**.

Adult leaders are responsible for establishing the barriers and reminding Scouts that members of one gender must not enter the tent/housing of another.

The Buddy System

The buddy system is designed to provide an additional layer of safeguarding by ensuring no youth member/participant is alone and that a buddy can get help in an emergency. The buddy system is used whenever members/participants are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Of note:

- The adult unit leadership oversees and approves buddies.
- Buddies are two and can also be three to prevent members or participants from being alone.
- If the original pair for a buddy group is mixed gender, a third youth/participant must be added (for a buddy group of 3).

- Youth siblings of the same gender may serve as buddies regardless of age with permission from their parents or legal guardians.
- Except for siblings, the age gap between buddies must be at most three years for all non-sleeping activities and no more than two years for all sleeping accommodations.
- When exceptional circumstances warrant, a parent or legal guardian may serve as a buddy of their own child for both Scouting activities and sleeping arrangements, but youth buddies meeting the above criteria, if available, are always preferred.

Participation by Parents and Legal Guardians

Parents and legal guardians are encouraged to participate in Scouting activities with their children. However, to meet youth protection policies, some participation—including all overnight activities—requires the parent or legal guardian to be a registered adult in their child's unit.

*See and note the Cub Scout Exception

Cub Scout Programs – Overnight Exception: Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "[How to Protect your Children from Child Abuse: A Parent's Guide](#)" that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

Congratulations to our Newest Muir Eagle Scouts!

- Jason Takfarinas Azzj; T444B, 08/06/2024
 - Project Title: Crossroads High School Toddler Center Project
 - Project Summary: Scout built a Sandbox and two Water Tables for the Toddler Center to replace the existing ones that were broken. Scout wanted to give the young mothers a safe place for their children to explore and practice fine-gross motor skills. He had to accommodate for the rainy weather and a holiday weekend.
- James Christopher Llata; T370B, 09/03/2024
 - Project Title: Shotgun Sports Gun Rack
 - Project Summary: Scout made 4 foldable portable gun stands for the Clayton Valley High School's growing Shooting Sport Team. Each stand hold 16 guns and have a latch that locks the stands in place for safety purposes. Having stands will keep the guns in one safe place and not spread out around the range. Scout was challenged by wood that kept cracking and had to adjust by using wood glue to do repairs.

October 12-13, 2024
Moved to Camp Herms

Registered Scouters taking the Leave No Trace Level 1 Instructor course (including preparing and delivering a 10-15 minute presentation) will become certified Level 1 Instructors. Adults who do not wish to become certified instructors may opt for the Leave No Trace Skills course instead.

Registered Scouts age 14-17 and first class may take the 16 hour Leave No Trace Skills course only. The Skills course is highly recommended for those who wish to hold the *Outdoor Ethics Guide* position of responsibility. The Skills course is also required for the BSA National Medal for Outdoor Achievement.

All participants should already be experienced campers and familiar with the Seven Principles of Leave No Trace.

Check-in is 7:30 am Saturday, October 12 at Redwood Grove (lower field), Camp Herms (1100 James Place, El Cerrito, CA) The course will run from 8:00 a.m. Saturday, through 1 pm Sunday, October 13, 2024. By arrangement, participants may arrive Friday evening and camp the extra night.

This course will be entirely outdoors, in a quasi backpacking format involving an overnight campout and an easy day hike. Participants will plan, bring and cook their own meals as we practice what we are learning.
